

StepSequencerBase

```
classDiagram
    MinEngine --|> StepSequencerBase
```

A UML class diagram illustrating inheritance. At the top is a gray rectangular box labeled "StepSequencerBase". Below it is a white rectangular box labeled "MinEngine". A red arrow points vertically from the top of the "MinEngine" box to the bottom of the "StepSequencerBase" box, indicating that "MinEngine" inherits from "StepSequencerBase".

MinEngine
